

What A Pretty Little San Francisco Wedding Dress Looks Like by Rock Chiq

21 Feb

If you're looking to shop locally this wedding season, I suggest checking out *Indu Arora's* latest collection of white dresses. I just think they're pretty and not that I'm thinking about marriage anytime soon, but if I was, I would surely love to grace the asle in *Rock Chiq's* pretty little numbers. Why shop locally for your wedding dress? I can think of a thousand reasons, but the one that comes to mind first is to be the only girl in the room with a one of a kind wedding dress.
